

**Basic info  
about workshops  
for experts**

Social  
Sciences  
Lab

We create workshops  
to help young professionals & yuccies  
realize their thoughts & researches  
in real projects for social changes.

**We combine researchers and businesses  
to implement projects for people.**

**Our participants:**

sociologists,  
philosophers,  
historians,  
economists,  
lawyers,  
advertisers,  
psychologists,  
political scientists,  
cultural researchers  
and anthropologists.

**Business & Government:**

provide challenge.

**Experts:**

share knowledge and  
create pro networking.

Each workshop  
should contain «3I»:

**1. Inspiration**

«We can change it  
step by step!»

**2. Instruction**

«We try something,  
we have experience!»

**3. Implementation**

«We understand how we  
to use it in our work!»

And have a parts  
in program:

**1. Theory**

**3. Glocal cases**

**4. Team work**

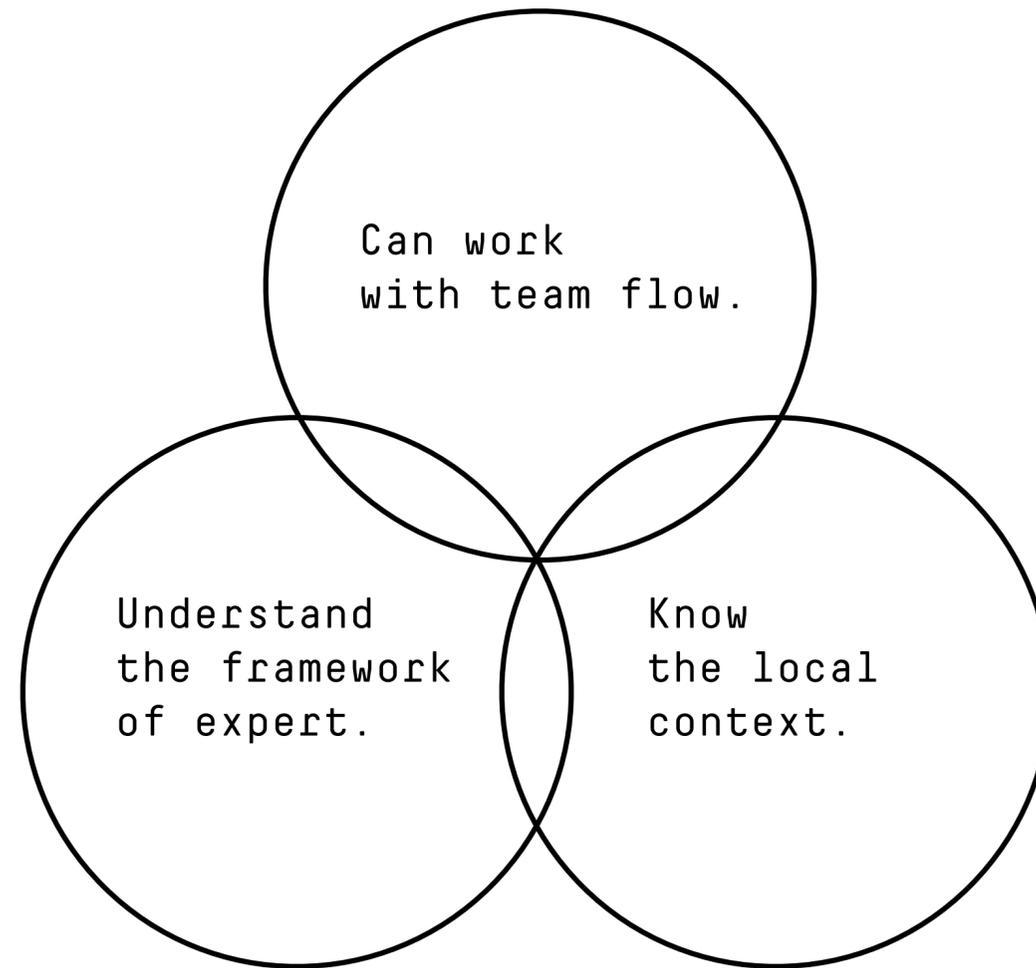

**5. Discussion**

**6. Feedback from experts**

**7. Presentation to share**

Often we have 1 day (8 hours) for workshop.

We have facilitators for each workshop who:

We have 25 participants (5-6 groups) and 3-6 facilitators.  
Facilitators will be special prepared for workshop by [pdupd.co](http://pdupd.co) team.

We can organize workshop in two ways:

**1. Framework of expert**

We can use your framework. You will be the main facilitator and we will help. We need to discuss the content in before your arrival.

**2. SSL framework**

We can create workshop based on your lecture and we only need your feedback about projects after teamwork.

What is your way?

## About location

1. We will organize workshop on the center of the city
2. In spacious room with moving furniture for teamwork
3. With flipcharts, boards, walls
4. And wide screen for presentation
5. We have an interpreter

Please ask for special equipment.
